Mount Gangapurna (7455m)

Introduction

Mt. Gangapurna is another 7000 meter peak for climbing in Nepal. Situated in the Annapurna Himalayan range at the Gandaki Zone its location at 28 36 18 Latitude 83 57 00 Longitude. Located between Annapurna III and Tilicho Peak in Annapurna Himalayan range Gangapurna was first summeted by Gunther Hauser a member of German expedition team 1965 via the East Ridge. Gangapurna can be seen from the foothills of the Annapurna range as far as to Pokhara, the mountain with white snow capped looks rather like a ridge than a peak from the southern face at Annapurna Sanctuary in between the Annapurna III 7555m and Tarke Kang 7193m the easy assist to its summit of Gangapurna is from its northern side at Manang Valley.

Gangapurna Expedition from the southern route passes through the popular main trail of Annapurna Sanctuary, but from Machapuchare Base Camp 2-3 hours ahead from the Annapurna Base Camp. From Manang village is very close at a stone throw distance, its glacier is one of the main source of the river Marsyangdi. The expedition route diverts towards more north walking close to the bottom of Annapurna III and on the East Annapurna glacier till Gangapurna base camp is reached on the glacier and moraine very close to the base camp of Annapurna III.

Combined with the classic trek around the Annapurna massif, ascending the Marsyangdi valley. Mt. Gangapurna rise high above the Manang valley with breathtaking views across to the Annapurnas II 7,937m, III 7,555m and IV 7,525m, Gangapurna 7,455m, Glacier Dome, Dhaulagiri 8,167m, Tilicho Peak 7,134m and Manaslu 8,156m. Climbing Gangapurna is technically straightforward involved walking roped together, including the glacial crossings. and you

should be familiar with the use of your Climbing equipment, crampons, harness, ice axe, tying knots and handling climbing ropes. You should be very fit and have good experience of climbing.

Why we dont't include cost in our website?

NOTE: To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.

2. The cost of the trip depends on Number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non-climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.

3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.

4. Request numbers of oxygen, mask regulators and the brands the clients require

5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.

6. Either you want to operate this [illegible] international group joining basics of Xtreme Climbers or individual (private arrangement) expedition.

7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.

8. Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in or login to for any information about your selected package.
