

Everest Rolwaling Valley via Tashi Laptsa pass

Introduction

Rolwaling Valley Trek is one of the difficult Trek but the amazing sight of Mt Langtang & Mt Everest from Rolwaling, majestic Mt Gauri Shanker, natural as well as cultural beauty, glance mountains river, the local lifestyle of Sherpa, Tamang and Chettri, Village, Wonderful views. The Rowling valley is abundant with alpine lakes, hanging glaciers, moraines, high pastures, waterfalls and imminent view of snowy peaks in the backdrop is the highlight of this trek. The vicinity is rich in flora and fauna with 16 major vegetation types, 34 species of mammals, 16 of fish, 10 of amphibians, 8 of lizards, 14 of snakes and 235 of birds. situated between the Everest and Langtang Himalaya ranges, below Gauri Shankar (7,145m) and south border of Tibet. This region lies between Langtang range and Everest range. Rolwaling valley trekking is one of the hard passes in Everest Himalaya. The Rolwaling Himal, along with the Tibetan border, forms the northern border of a wild, beautiful east-west valley that, due to its isolated location, has been largely closed to trekkers. It is also an alternative trail to Everest base camp trekking located in the west of Khumbu. Being close to the Tibetan border people highly influenced by Tibetan culture and have adopted Unique Culture and Tradition. People in the villages are very warm-hearted and very kind as well.

The Tsho Rolpa is an awesome ice lake held back by terminal moraine on the way during Rolwaling trekking . The unmarked route goes along the Trakarding Glacier and then climbs steeply up onto the Drolambau Glacier. This place offers an excellent view of the magnificent mountain ranges like Mt. Makalu, Mt. GauriShankar and Mt. Everest range,

Rolwaling Valley and Rolwaling Himal, views of Panchen and Ramdung peak. The trek joins the Khumbu valley route so you can carry on to the Everest Base camp or back to Lukla and fly to Kathmandu.

Starting from Dolakha, near Charikot, a Seven to eight-hour drive from Kathmandu. We trek following the Rolwaling River. Throughout rolwaling valley. Contains several small villages, the largest at Bedding, and is fed by the Rolwaling Khola and its numerous tributaries. In 2010 this area was declared a conservation area, known as the Gaurishankar Conservation Area: covering 2179 square Kilometers. It is home to some 60,000 people, the largest group being Tamangs followed by Sherpas and Chhetris. A very fine but strenuous camping-style expedition can be made through the Rolwaling Himal to cross the Teshi Lapcha La (5755m) and into the Solukhumbu. Great views of Mt. Melungtse (7,181m) Mt. Dorje Lakpa and Mt. Tashi Lapcha are visible. It will be an unforgettable experience in the Himalayas. Rolwaling Valley trek provides you an opportunity to Explore Diverse Vegetation, climate, topography and many other beautiful places.

Cost and payment details

The cost is depending on group size, affected due to the requirement of number of guides and porters, requisite of Hotel in Kathmandu, method of land/air transport. The itinerary is changeable and modifiable as per needs and time frame of trekkers. Cost will be re calculated if the itinerary is changed or modified. Additional activities may be added as per trekkers request with appropriate additional cost. For Total Tour cost **EMAIL US**, we will send you within 24 hours as your requirements.

Why we don't include cost in our website?

NOTE: To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our trekkers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit for mountain will be different during Spring and Autumn season. Normally most of the climbers climb Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on Number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non-climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate this expedition as international group joining basics of Xtreme Climbers or individual

(private arrangement) expedition.

7.

Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.

8.

Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in _____ or login to _____ for any information about your selected package.
