

## Ganesh Himal Singla Pass Trek

### Introduction

A remote trail untouched by modernization, rich in ancient cultures, traditions, and lifestyle. Village of the Gurung, Tamang and Chettri ethnic groups.

The Ganesh Himal Trek allows trekkers the opportunity to have surprisingly quiet views of the high valleys north of Ganesh Himal on the Tibetan border. This is one of the legendary Hidden Valleys of the Himalaya, little-visited yet close to Kathmandu. The main summits are Ganesh I (7422m), II (7118m), III (7043m), IV (7140m), V (6970m), VI (6908m) and Ganesh VII (6350m). Lively Tamang culture, coniferous pine forest, alpine meadows, sacred lakes and a rich biodiversity of flora and fauna are the major attractions of this area. As per your time and fitness, you can choose a suitable itinerary.

There are several points Syabrubesi, Betrawati, Charangge Phedi and Machhakhola where you can either start or end your trek. The main villages are Chalis, Shertung, Lapagaon and Tipling. This trek is quite unique because it is pristine and little-frequented by trekkers. Hot springs, white and black lakes, breathtaking views of Langtang, Ganesh Himal and Manaslu will make you feel like you have chosen the right trip.

## Why we don't include cost in our website?

**NOTE:** To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on the number of persons joining in group for High expedition or Mountain Climbing including number of climbers, number of camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate this expedition as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition.
7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.

8. Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in \_\_\_\_\_ or login to \_\_\_\_\_ for any information about your selected package.
