

Everest 8,848m (South)

Introduction

Mt. Everest South Col Expedition, truly a historical and mesmerizing adventure of a lifetime experience following the footsteps of late legendary Tenzing Norgay Sherpa and Edmund Hillary all the way to the summit using the same classic south col route. Mt. Everest world highest peak at 8,848 m and 29,028 ft high, with few local names Nepalese calls Sagarmatha and Sherpa and Tibetans name as Chomolungma, in both languages means a great mother. Since the conquest of Mt. Everest in May 29th 1953 by British Expeditions led by late Sir John Hunt, followed by hundreds of climbers taking more challenging feats like climbing without oxygen defying the death zone of thin air, and some Sherpa climbers have repeatedly climbed with record breaking 20 times by Apa Sherpa from Thame village, well the first 5 times summiteers was Sundare Sherpa of Pangboche village, followed by Ang Rita Sherpa of Thamo village 10 times (honored with a title as Snow Leopard).

The new record and daring challenge continues till present, whatever your dreams are certainly a great daring climb to the top of Mt. Everest.

Xtreme Climbers founder members of the company has summited Mt. Everest 15 times including many other 8000m (Please do check the Certificates), and he will be your team leader and leading guide reaching you to the top of Mt. Everest and bring you back safe and sound, after an enjoyable thrill full of exciting moment on Mt. Everest South Col Expeditions.

Everest South Col Expeditions climb will be undertaken with much preparation checking foods-climbing gear and health

of the climbers and with excellent logistic support required for a successful triumph to the summit of Mt. Everest.

Cost and payment details

The cost is depending on group size, affected due to the requirement of number of guides and porters, requisite of Hotel in Kathmandu, method of land/air transport. The itinerary is changeable and modifiable as per needs and time frame of trekkers. Cost will be re calculated if the itinerary is changed or modified. Additional activities may be added as per trekkers request with appropriate additional cost. For Total Tour cost **EMAIL US**, we will send you within 24 hours as your requirements.

Why we dont't include cost in our website?

NOTE: To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on Number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non-climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate this expedition as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition.
7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.
8. Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in [CONTACT US](#) or login to [MY ACCOUNT](#) for any information about your selected package.
