

Baden-Powell Peak 5,825 m

Introduction

Lord Baden Powell Peak, Locally known as Urkema Peak, it was renamed Lord Baden Powell Peak (5,718m) in 2007. a mushroom shaped mountain situated in the Langtang region offers a perfect alternative to Imja Tse or Island Peak in the Khumbu region. Seen from the south-west, Baden Powell Peak almost looks like Ama Dablam which is situated in the Everest region. It is surrounded by majestic peaks such as Langtang II, Langtang Lirung, Dorje Lakpa and Shishapangma in Tibet. The peak was named after the father of the Scouts movement by the Nepal Government to mark the centenary celebration of the International Scouts Movement.

Baden Powell peak (5,890 m) which is one of the popular peak to climb in Langtang region because it's easy accessible to climb and not very expensive (Royalty Free Mountain) .Situated on the border with China. It offers perfect view of Langtang II, Langtang Lirung (7234 m), Dorje Lakpa (6966 m) and Shishapangma (8013 m) in Tibet and great experience of mountaineering in Nepal.

Still away from other trekking peaks. The Trail to Baden Powell peak is off-beaten-track, Villager which you will pass are mostly Sherpa and Tibetan and still in poverty, unknown with modernization. Geographical structure, culture and tradition of people from your starting place to ending place are totally different. Their language, caste, living style, facial structure everything seems so different.

Additional activities may be added as per trekkers request with appropriate additional cost. For Total Tour cost **EMAIL US**, we will send you within 24 hours as your requirements.

Why we don't include cost in our website?

NOTE: To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on Number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non-climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that

you aspire in the mountains affect the cost.

3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate this expedition as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition.
7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.
8. Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in info@xtremeclimbers.com or login to [xtremeclimbers.com](#) for any information about your selected package.
