

## Saipal Himal Base Camp (West Nepal) Camping

### Introduction

Api Saipal Himal Trek is for those trekkers who want to visit remote and unspoiled area of Nepal. It lies in far western Nepal. The name Api is came from Tibetan word, which means grandmother. This route is still off touristy and very few tourists have visited this area. Api saipal Himal trek gives the great opportunity to explore the real wilderness of nature of Nepal. Besides these, it offers the massive mountains view, cultural diversity, beautiful forests, rapid rivers, mysterious culture and off beaten trail. While on the trail you can enjoy the spectacular views of Api Himal (7132m), Saipal {7031m} Mt. Thado Dhunga Tuppa (5368m), Mt. Nanda Devi (7817m), Rajamba (6537m) and other peaks as well. Api Saipal base camp trekking via Simikot required special permit. Most of trekking agencies operate this trekking via Mahendranagar where you have to drive a long journey at least 15 hours one way. Chala will be the last settlement from this route. And here, keep to their child with tight by fixed rope for not to fall down from house during parents away from house {in day time} on Api Saipal Himal trek.

Api Saipal Himal Trek is best trekked between mid-October and November after the harvest has cleared fields to camp on, as there are no designated campsites. It's logistically complex; you need to bring your own porters on this trek as locals in this rarely visited region are unfamiliar with foreign trekking routines. A 24 days itineraries runs from Silgadhi (a sealed road reaches Silgadhi from Dhangadhi) through Khaptad National Park to reach the Seti River Valley and the Bajhang District capital of Chainpur, from where you continue on to Saipal Base Camp. There are flights of Chainpur at the end of the trek. If you wish to flying in and out of Chainpur, Budget three weeks. Xtreme Climbers supporting team should move ahead by bus, the fair weather road stops at Tamil Bazaar, about 2 hours from Chainpur. The people of this

region are extremely welcoming towards trekkers.

Api Saipal Himal trek via Mahendranagar, even though Api Himal trek is the adventures trek from this place is equally popular among those travelers who are interested in bird watching. And agriculture is the main occupation of the local people of this area. Kali Dhunga Lake is a famous holy lake of this area which is about 2 hours walking from the Api Himal Base Camp. Brahmin, Chhetri, Mahara, Bohora, Thekare, Jhakari and Lohar are the local community of this region. Normally, they have their own different language and culture. They are not able to speak fluent Nepali language as well. A nomad community known as "Raute" is also found here. They speak their own language and they used to live in caves in the past. During summer they ascend up to Api Himal Base Camp and during winter they descend to Terai and reach as far as Indian border.

## Why we don't include cost in our website?

**NOTE:** To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on number of persons joining in group for High expedition or Mountain Climbing including number of climbers, porters, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing, the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate this expedition as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition.
7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.
8. Either any of the climbers intend to attempt any world records? If so, do they require special services or

equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in \_\_\_\_\_ or login to \_\_\_\_\_ for any information about your selected package.
