

## Khayar Lake (Khopra Danda) Trek

### Introduction

Khayar Lake, Off the beaten trail, on to the long, remote mountain ridges, through exposit forest and traditional villages. Annapurna region into the wild glacial areas below Annapurna South is demanding but well worth the effort. Khayar Lake trek is a beautiful trekking area with the mix of culture and excellent Mountain View. Beside the scenic extravaganza of the peaks, the warm hospitality of the Gurung people along the way. During Khayar Lake trek, we will enjoy the view of great Annapurna Himalayan range in the Annapurna area, sacred Khayar Lake (4,500.m) as well as the stunning Sunrise from the Ghorepani poon hill 3210m.

The trek heads towards Ghorepani via Swanta village and ends at Nayapul with the drive back to Pokhara/Kathmandu. uplifted by the views of Annapurna and Machhapuchhre, includes amazing landscapes and small ancient villages. As the trek goes further, we will trek towards Khopra ridge leaving behind the Annapurna Circuit route. After reaching Khopra ridge, we will reach out towards Khayar Lake (4,500m) which is the highest point of our trek.

## Cost and payment details

The cost is depending on group size, affected due to the requirement of number of guides and porters, requisite of Hotel in Kathmandu, method of land/air transport. The itinerary is changeable and modifiable as per needs and time frame of

trekkers. Cost will be re calculated if the itinerary is changed or modified. Additional activities may be added as per trekkers request with appropriate additional cost. For Total Tour cost **EMAIL US**, we will send you within 24 hours as your requirements.

### Why we don't include cost in our website?

**NOTE:** To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on Number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non-climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate the trip as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition
7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.
8. Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in \_\_\_\_\_ or login to \_\_\_\_\_ for any information about your selected package.
