

Kanchenjunga (8586m)

Introduction

Mt. Kanchenjunga actual pronounced and spelled as 'Kanchendzonga' means five jewels of snow peaks in Tibetan language, the mountains across the border in Sikkim worships as one of the holy mountains where mountaineers cannot climb right up to its main top summit as the top regarded as the abode of god and holy spirits. The five jewels or treasures are Gold-Silver-Precious Stones, its Grain and a Holy Scriptures which refers to five adjoining peaks of Kanchenjunga.

The main summit stands as world third highest mountain at 8,586 m and 28,169 ft high and highest peak within Nepal Himalayan range. A stunning peak of great beauty first climbed in 1955 by British Expedition led by late Sir George Band from Nepal and from Sikkim side by Indian Expeditions in 1982. In 1979 British Mountaineer Pete Boardman stated that the trek to its base of Kanchenjunga most beautiful he had ever undertaken. It is a strong contender for "The most beautiful adventurous walk and climb in the world." A trek and climb to Mt. Kanchenjunga is an unforgettable experience into the heart of the Himalaya where the scale of the mountains and valley is difficult to comprehend.

Why we don't include cost in our website?

NOTE: To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on Number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non-climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions Package as full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate this expedition as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition.
7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.
8. Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in [CONTACT US](#) or login to [Xtreme Climbers](#) for any information

about your selected package.
